

The Company Behind The UK's Most Influential Founders And Entrepreneurs.

Trusted by High-Profile Founders +
Entrepreneurs.

Gary Neville

Sacha Lord

John Amaechi

Great Influence was started by Ash Jones in 2018 after spending 4 years building Steven Bartlett's personal brand and has since become renowned for working with leading Founders + Entrepreneurs including ex-Manchester United footballer Gary Neville, best-selling authors Matthew Syed and John Amaechi, Founders at Gousto, Huel, Grenade + Byoma and C-Suite at Santander and Booking.com.

Great Influence's work across personal branding has supported clients in significant business growth, including raising investment, completing major exits and gaining mainstream influence including joining Dragon's Den, becoming Sunday Times Bestselling Authors and social media influence to the tune of millions.
